**As long as Nifty hold 5225**

**Target 5434-5500- +**

---

**As per Wave Theory - Next few years**

**BSE - 60000+, Nifty 20000+**

**With some conditions.**

## NIFTY

Nifty has finally broken major resistance level of 200 DMA showing continuous upward movement, and till then hold... decline to buying opportunity

**Now Today** - consider support at 5305-5275 and major support at 5275

Crossover 5335 and stay with volume heading towards 5400-5410-5435

Closing above last resistance will move further...

Traders can buy on decline...on correction As long as hold support zone 5050-5070.

## BSE INDEX

As last week it was mentioned that once it breaks 17350, overall new up-trend and as a resulted, it made a high of 17630.

**Now up-move to continue and next target of this up-move likely to be 18000-18126, thereafter more up-side**

As long as hold, 16800-16850 decline to buy.

## BANK NIFTY

As mentioned earlier in this column,

Above 9200, our target 10100 and finally closed at 10150 after gained more than 900 points.

**Overall trend is bullish and now play for 10500**

**As long as hold 9900 on closing basis.**

## NIFTY FUTURE

**Closed at 5339**

- 1. High put option, open interest seen at 5300-5200 indicating strong support.**
- 2. High call option, open interest builds up at 5400-5500 indicating strong resist.**
- 3. Nifty Future - Trading at discount 19-20 points compared to discount last week indicating positive bias.**
- 4. Above 5300 looks hot and play for 5400-5410.**

### **M&M**

Bullish break out with volume above 712

Above 718 non stop target 749

In two sessions...

Catch it opening bell.

### **EDUCOM**

Break out with volume

Catch it...

Target 285-300 mark

### **LIC HOUSING**

Trend is bullish and something cooking

In this counter and likely good news from the Govt. side

Consider support 245-250

Up move continue and big move expected.

## **INDUS BANK**
